MONTGOMERY

TOWNSHIP, NEW JERSEY

MONTGOMERY TOWNSHIP NEWSLETTER • SUMMER 2022

NEW BEGINNINGS

It has been 250 years since our predecessors first met as a Township Committee, and a lot of history has been made in that time. Yet even in the context of a quarter-millennium, we believe 2022 will stand out—as a year of new beginnings. 2022 is the year we turn the page on a pandemic that cost us friends and loved ones and strained our health and well-being. Sacrifices and social isolation were endured to protect ourselves and our neighbors. But today we look to the future with hope, particularly this month, as we anticipate two joyful events.

The first will come on June 16 with the official opening ceremonies for Montgomery's first new municipal headquarters in many decades, and the first public library ever located in the Township. Our new address will be 100 Community Drive, Skillman, just off Orchard Road, where a ribbon-cutting will occur for the municipal building and Somerset County Library Services facility at 3pm. The public is invited to attend

The nearly completed Municipal center as it appeared in late April.

the ribbon cutting and tours of the two new facilities between 4 and 7pm.

The new municipal center reflects our past and future. It has a soaring atrium designed to remind us of the many Dutch barns built across our township in the 18th century. Yet it is also about our future: It's where we'll come together to make important decisions for decades to come, supported by modern meeting rooms and technologies necessary for open, democratic government in the 21st century.

The second joyful event also

honors our past and future with the return of Independence Day fireworks on June 30th, to be held at the Montgomery High School. The school grounds will open for a fair and concert starting at 6 PM, followed by fireworks at dusk. Bring lawn chairs and blankets to celebrate America's 246th birthday. Buy your parking tickets in advance. We hope to see you there! ■
